This is a letter from Father Justin to all of us:

The Feast of St. James the Apostle—July 25, 2018

St. Philip's Episcopal Church Family,

We are excited about our move to Palestine! It won't be our first time in the Pineywoods of East Texas though. We had both Marcus, now nine years old, and Oliver, now seven years old, while we lived in Marshall. At that time, I made my way in life as a chemistry professor at East Texas Baptist University. So, we're no stranger to the towering trees and the red clay that the region is so well-known for.

Our attention has recently been on finding a new Palestine home. We are happy to report that we have made an offer, had the offer accepted, had the inspection, and are continuing to move forward with an expected closing date before the middle of August—just in time for the boys to start school in Palestine!

I'll be finishing my work at St. Mark's in Beaumont in July, serving for the last time there on the 29th, giving us time to pack and prepare for the move. Once in Palestine, the remainder of August will be crucial for Dawn and I to get settled in at home, so that I can serve you all faithfully, by God's grace, as your rector.

My family and I appreciate your continued prayers for our transition. We look forward to seeing you all at lunch in the Parish Hall on my first Sunday with you as rector on September 2nd.

Faithfully yours in Christ,
Fr. Justin+, Dawn, Marcus, and Oliver Briggie
